

APPLICATION FOR PSMA MEMBERSHIP

The Pennsylvania Septage Management Association (PSMA) Board of Directors holds all members to a high ethical standard.

PSMA is the industry voice in Harrisburg working with the Legislature and the Department of Environmental Protection to present the industry's perspectives on a wide range of issues affecting your livelihood. PSMA exists to help all of us fight for our rights! Today's customers want to know exactly what they are buying. Joining PSMA tells customers that you are an industry leader who subscribes to high business and performance standards.

The Board of Directors is committed to assuring that our members pursue their business interests in an ethical and professional manner. To that end, and as a condition of membership, the Board has a requirement that all members seeking to join PSMA read and commit to complying with the PSMA Code of Ethics and, when applicable, the Performance Standards for Treatment Tank Pumping and Cleaning. Both documents can be found on the PSMA Website at www.psma.net. *Your dues payment signifies your agreement to conduct your business in accord with the principals therein.*

MEMBER BENEFITS:

- Legislative advocacy and communications with state legislators to protect your rights
- PA One Call incentive (PSMA pays your dues!)
- Company listing on the PSMA Website
- Certification credentials
- Educational and training opportunities
- Industry news information and updates
- Regional meetings for local news, information, education

- Use of the PSMA logo and name in your promotional materials
- Industry voice with Department of Environmental Protection
- Annual Conference informative and educational
- And, most important of all, networking with other industry professionals for support, guidance, information and advice

When determining your dues category on the following page, gross revenue from all and any of the following are to be included:

- Services and products related to the management, treatment, transportation, and/or disposal of liquid human waste (sewage and septage);
- Inspections, sewage and water treatment plant sludges, bio-solids, restaurant and/or food processing;
- Grease trap waste and other food processing wastes, and portable toilet rental, lease and servicing.
- Also included are revenues from septic system installation and repair, onlot management services and maintenance services, as well as revenues from the operation of pre-treatment and/or treatment works or facilities and land application sites.
- Excluded are revenues from activities related to hazardous waste/materials operations or any activities exclusively involving these materials or materials not included in the paragraph above.
